

# GAURAV SHARMA

React.js Developer

Email: gaurav9911093928@gmail.com | +91-7838418575 | Pune, Maharashtra / [LinkedIn](#) | [Github](#)

## Skills

---

**Frameworks/Libraries:** React.js, Redux Toolkit, TailwindCSS

**Languages:** Html, Css, JavaScript

**Developer Tools:** Git, Github, VS Code

## Projects

---

**FlashBlogs** [LINK](#)

Developed a dynamic blog website using **React, Redux, JavaScript, and React Router DOM**. Implemented user authentication features, allowing seamless **login and logout** functionality. Leveraged **Appwrite for backend** support and utilized **React Hook Form** for efficient form handling.

### Key Features:

- Implemented an editable input box with advanced text formatting options such as bold, italic, size, and color.
- Enabled user authentication features for seamless login and logout functionality.
- Users can view their own posts, see posts from all users, and edit or delete their own posts.
- Leveraged Appwrite for backend support, ensuring efficient file handling and management.
- Employed Tailwind CSS for a sleek and responsive design.
- Enabled CRUD (Create, Read, Update, Delete) operations, providing users with the ability to manage content effectively.

## Academic and Extracurricular Achievements

---

### Hackathon Participation:

- Engaged in **various hackathons** at Indira College of Commerce and Science.
- Showcased coding skills **handled Frontend Part (HTML,JS,CSS,GSAP)**, problem-solving, and teamwork.

## Positions of Responsibility
